

Frequently Asked Questions

What is a Pet Memorial?

Our Pet Memorial is a product constructed of special material blended with the cremains of your departed pet. You can think of the finished product as you would your pet. Unlike traditional urns that act as a vessel for storing cremains, the Pet memorial can be used as a piece of artwork, serving as a beautiful reminder of your departed loved one. The concept of constructing a product from cremains is unique in all respects. With the Pet Memorial, you will be reminded of your loved one each time you see it.

How do you create the Pet Memorial?

Your Pet Memorial is hand-crafted. We take your loved one's cremains, blend them with special material for preservation, and craft them into a finished, seamless product. Each product is delivered with a Certificate of Authenticity and an engraving of your choice on the back. Most pet memorials are hand painted to match a photo provided by you.

Can I memorialize a departed family member?

Yes, this is a common request. The process is exactly the same as with the Pet Memorial although we use a decorative cross or other symbols instead of an animal mold. Contact us directly to discuss our other memorial products.

Do you use all cremains when you craft the Pet Memorial?

That depends on the size of the pet. For smaller pets we can use them all but the maximum amount of ashes is about one cup.

Do I go through my Veterinarian to order a Pet Memorial?

Most Vets don't carry our products but may provide you with information on them. Contact us directly for questions or orders.

How big is the Pet Memorial?

That depends on what kind of pet you are looking to memorialize. Most of what we do are for dog owners and the size about the same as a dinner plate, or 9 - 13 inches round or square. They are about 1-2 inches thick and weigh between 3 and 5 pounds.

What is the process for having my pet memorialized?

Contact us by phone or email and we'll discuss your exact needs. Ultimately you will mail us your departed pet's ashes, we'll make the Pet memorial and mail back the finished product.
